first published in 1996 routledge is an imprint of taylor francis an informa company

a thoroughly researched illustrated stage history reveals changing conceptions of the play

this edition of the two gentlemen of verona offers a complete consideration of all aspects of the text it interprets the play less as a contribution to a renaissance literary debate between love and friendship the traditional academic view than as a dramatization of competing kinds of love a theatrical counterpart to shakespeare s sonnets it analyzes the lyrical language with which these kinds of love are expressed and explores the tension between lyricism and the violence of some of the play s events notably the concluding attempted rape scene it also provides further evidence that the two gentlemen is shakespeare s earliest surviving play and proposes a new actor for whom the principal comic role of lance may have been designed this is the only edition to offer a setting of the song who is silvia prepared by guy woolfenden from an elizabethan source and is therefore the only edition on the market to provide a complete text for performance

the two gentlemen of verona is a comedy by william shakespeare from early in his career it has the smallest cast of any of shakespeare s plays and is the first of his plays in which a heroine dresses as a boy it deals with the themes of friendship and infidelity the highlight of the play is considered by some to be launce the clownish servant of proteus and his dog crab to whom the most scene stealing non speaking role in the canon has been attributed

a new edition of shakespeare s play in accordance with the work of the shakespeare and schools project and the national curriculum

in this tale of intrigue in india and england a child who is the sole heir to the fortune of a wealthy indian army officer disappears the officer a general has died having been murdered leaving all his earthly goods to the child but if the child is dead or cannot be located the will directs these goods be given to a rogue named sanderson who poses as john simcoe after many intrigues and adventures sanderson is exposed as the murderer and forger of a false will and the rightful heir

the child is found
