the importance of small towns is gaining increased recognition as a result of two developments the first development concerns the possible role of small towns in migration flows and urbanization development of small towns in the form of improved basic services and other amenities has been promoted in order to abate the impact of urbanization on large urban centres and to alleviate service provision pressures in major urban centers whilst stimulating rural economies and eventually prompting social transformations the second development concerns the targets set by the sdgs in 2015 sdg6 requires countries to ensure universal and equitable water services by 2030 this inclusive target requires that the water services needs of small towns are considered in the expansion of sustainable and equitable water services this book aims to contribute to the study of water services in small towns by critically examining different approaches and experiences of water supply in small towns it

brings together empirical testimonies of how the implementation of reductionist models and the perseverance of certain principles underlying these models in the water sector have yielded suboptimal results much remains to be done before achieving universal service coverage in small towns is likely in order to do that we should start speaking of small towns as a category on their own and continue the work in elaborating further what these are and how they work in focus a book series that showcases the latest accomplishments in water research each book focuses on a specialist area with papers from top experts in the field it aims to be a vehicle for in depth understanding and inspire further conversations in the sector

nelson's book and found it to be invaluable. It's extremely thorough, helpful, and easy to understand. I am sure it will save me plenty of would-be problems with tenants. I especially liked the forms she includes. She explains why a hospitality agreement is much better than a lease if you plan on vacation renting or know someone who already is. This is the book Cindy White (Santa Barbara, CA) bottom line: This book is practical, avoid costly mistakes, save thousands of bucks with the top ten free paid vacation rental listings with discounted promo codes for products to accelerate your vacation rentals to greater profits. This book is a must have manual for anyone starting vacation rental business.
