to athletes and hip hop stars everyone wears rolex however the watch book rolex next generation offers more than just exciting information as a modern layout and numerous photographs make for a visual experience when reading the book as usual gisbert I brunner guides readers through the fascinating world of rolex with passion and expertise guest contributions on topics such as recognizing counterfeits and collecting watches round off the content and a further highlight of this volume is the detailed presentation of the latest rolex development a chronograph with 32 complications which is given a special place on the slipcase of the special edition and makes it a particular highlight for rolex fans all in all this is an indispensable piece for anyone who wants to understand the history craftsmanship and fascination behind the luxury brand rolex

additional digital content in conjunction with the teneues app available exclusively with the book curated by best selling author and watch expert gisbert I brunner includes numerous new models and references e g anniversary editions of the submariner 70 years and the daytona 60 years the indisputable standard work on the history and iconic watch models of rolex an absolute bestseller the ultimate standard work on the rolex brand is going into a new edition the watch book rolex has long been undisputedly one of the best coffee table books when it comes to the luxury watch brand in this superlative coffee table book gisbert I brunner known among experts as the watch pope illuminates the history of the chronometric legend rolex in his usual artistic style he explains what makes this brand unique and to what extent it has contributed to the technical development of the wristwatch from the first officially certified wristwatch to the waterproof oyster case to the technically sophisticated models of modern times gisbert covers everything the reader needs to know about the rolex brand in impressive pictures and highly informative yet entertaining texts in the third revised edition the successful author has now also included the latest models of the legendary submariner and daytona series the brand s traditional lines which are already celebrating their 70th and 60th anniversaries also included in this edition the completely new 1908 line and the celebrations dial as well as numerous new references of classics such as the sky dweller and gmt master ii text in english french and german

the rolex reference book in a luxurious special edition the bestseller the watch book rolex by watch expert gisbert I brunner is dedicated to the history and watchmaking milestones of the famous brand and will now be published in an exclusive and limited edition box reminiscent of a watch case

behind a watch there are often hidden stories stories of those who made it and those who wore it from the watchmaker to the diver from the astronaut to the collector from father to

son from buyer to thief even a watch does not age as it is handed on and as it travels from the Joux valley in Switzerland to the saleroom from the depths of the ocean to the moon and from the pages of a catalogue to those of this book a watch only gains in substance Clément Mazarian from mechanical watches to chronographs quartz watches to divers exceptional watches will transport you through time uncovering the histories behind the most coveted watch models collector Clément Mazarian of collection Personelle tells the stories of 90 era defining watches from the early 1900s up to the present day each one meticulously catalogued and accompanied by a stunning image from celebrated photographer Henry Leutwyler illustrated technical pages clearly explain the mechanics of these timepieces while profiles of the watches give readers insight into their cultural histories exceptional watches is a treasure trove for collectors and enthusiasts alike featured models include Rolex Submariner Swatch Moonswatch Jaeger LeCoultre Reverso Cartier Santos Dumont Tag Heuer Monaco Philippe Patek Calatrava Omega Flightmaster

the discredit of a certain brand of capitalism and the managers that practice it continues apace the increasing lack of tolerance for short term thinking and a systematic neglect of the social regulatory and economic conditions in which business ought to operate means we are entering a time of trouble and questions an era of economic social and environmental turbulence there is a critical need for business educators and trainers to expose students and managers to these issues to examine explore and understand the different multifaceted complex phenomena of our late capitalist era there is also a need to foster a climate for future and current business managers to reflect feel and think differently both ethically and cognitively the 16 innovative case studies in the dark side critical cases on the downside of business are designed for this very purpose to provoke reflection and debate to challenge and change perceptions and to create responsible managers the cases are innovative in two ways first in terms of content they acknowledge the diversity of actors and interests in and around organizations they contain different levels of analysis and propose different points of view and logics they recognize that decisions that seem sound when they are made may actually contain the seeds of their later failure second these cases are innovative in terms of format whereas most cases are formatted around decision making situations these are more diverse and open ended this stimulates the use of judgment the capacity to synthesize integrate and balance short and long term effects appreciate effects on different groups and learn to listen and evaluate whereas decision making is the key skill when confronting complicated issues and situations judgment making relies on experience and is a far better tool in the complex murky gray areas typical of business ethics the cases included here are all finalists or award winners from the first seven years of the dark side of business case

competition a joint event of the academy of management s critical management studies section and management education section in many areas of management case studies are almost exclusively devoted to best practice cases or difficult decisions faced by basically well managed firms when educators look for resources to illustrate to students the more typical cases let alone the really scandalous practices of the worst firms the cupboard is almost entirely bare from the beginning the dark side competition aimed at encouraging case studies that integrate socio political issues with organizational dynamics thus contextualizing organizational and management problems within the broader system of capitalism these cases comprise a diverse and rich collection from a range of countries continents and issues and focus on interactions in business organizations as well as between business organizations and groups and societies the dark side critical cases on the downside of business is divided into four sections the first sheds light on gray areas in the behavior of businesses the second concerns the interactions between business and local communities in diverse countries the third concerns crises and specifically how firms may create or manage them finally the fourth section concerns gray areas in business behavior in the global context the dark side critical cases on the downside of business will be an essential purchase for educators and is expected to be a widely used resource at all levels of management education online teaching notes to accompany each chapter are available on request with the purchase of the book
